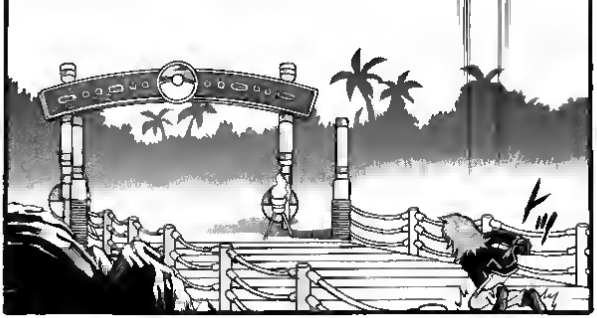
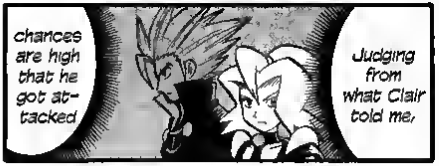
The evil organi-zation, Team Rocket
led by ...!!
What if they're being
And ...
What are they after!?
As long as they're hurting others,
No!! It doesn't matter who the ringleader is!!
I'll put a stop to their plans!!

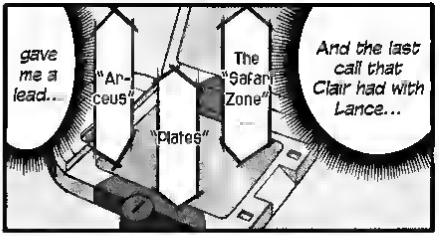
So that's it, huh
Mm
The Safari Zone!!



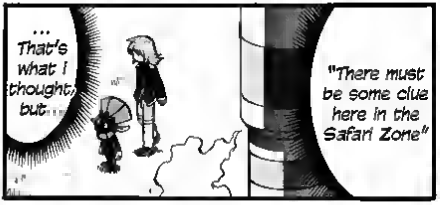


chances are high that he got attacked
Judging from what Clair told me,

I was wondering whether or not my master Lance would know about Team Rocket's resurrection, but he wasn't in his lair

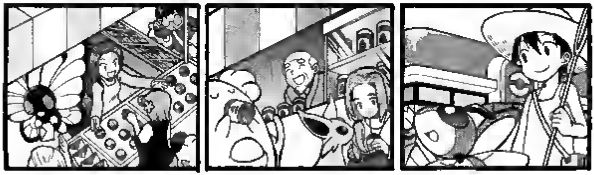


gave me a lead...
"Arceus"
"Plates"
The "Safari Zone"
And the last call that Clair had with Lance...



... That's what I thought, but...
"There must be some clue here in the Safari Zone"

……



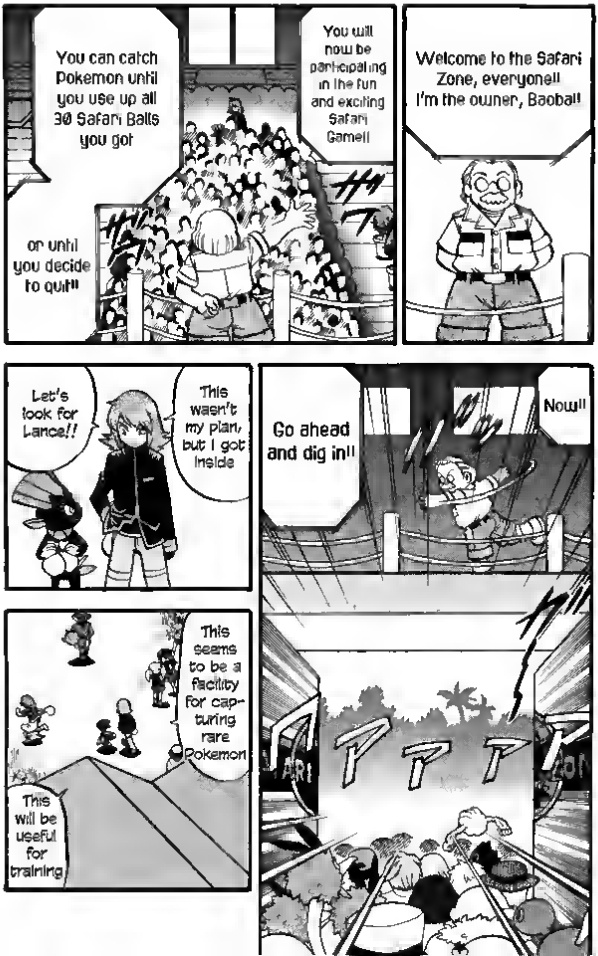
What a big crowd
It doesn't look like this is connected to Team Rocket at all

Are you interested in Suicune as well?
e Paintings and Poems

Hey!!
the Poke-mon that I've spent most of my life chasing after!!
This is the only place in this world where you can gaze upon these beautiful paintings of Suicune.

Now is the time you've all been waiting for!! Come on in!!
Are there any clues around here...

I...
No...
Please enter in an orderly fashion!!



You can catch Pokemon until you use up all 30 Safari Balls you got
or until you decide to quit!!
You will now be participating in the fun and exciting Safari Game!!
Welcome to the Safari Zone, everyone!! I'm the owner, Baoba!!
Let's look for Lance!!
This wasn't my plan, but I got inside
This seems to be a facility for capturing rare Pokemon
This will be useful for training
Go ahead and dig in!!
Now!!

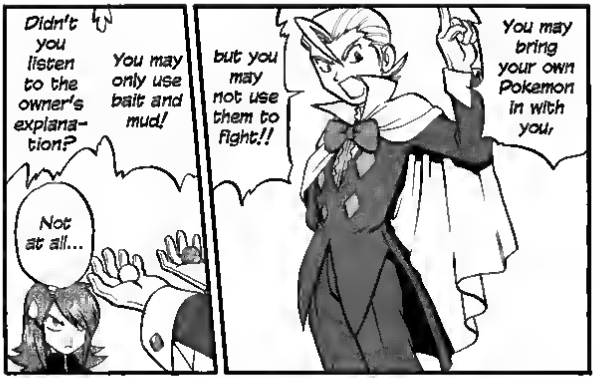
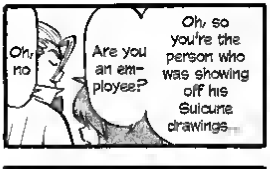
then catch it with th-...
AHHH
No, no, no, no, no, no!! Stop!!
Is that your Poke-mon that's fighting there!?
Y-Yea..



Didn't you listen to the owner's explanation?
You may only use bait and mud!
Not at all...
but you may not use them to fight!!
You may bring your own Pokemon in with you.

I was so shocked that I actually raised my voice, which I rarely do
Heh
That's all from me!



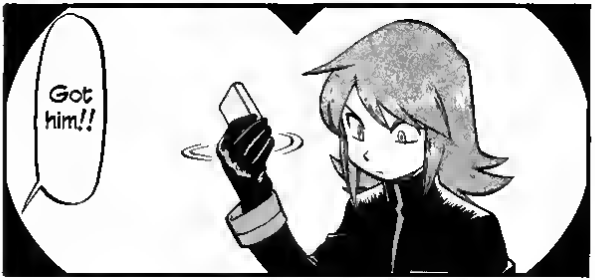
Oh, no
Are you an employee?
Oh, so you're the person who was showing off his Suicune drawings

You said that you're a Suicune hunter, hun
I need to gather information for my mission

But please understand that if bad guests cause this place to go out of business, I'd be in trouble too

I'm a traveler on a journey for the legendary Pokemon Suicune!!
That's me!!
Exact-amun-do!!
He might know something
He seems suspicious.. but I don't know if he's evil or not
Someone who's after legendary Pokemon
The summer winds are fleeting
but that makes them sweet Ohh
I'll test him

Any-thing?
?
?
?



Got him!!

The plate!
So he does have it!

I see
So the one who defeated the swarm of Koffing that I snuck into Lance's lair
and stole the plate that I went to great pains to acquire...
was him!
We've gotta pay him back
Right?
Okay, time for revenge!

So he's not part of Team Rocket, huh...
No reaction...
Hm?
じわ

BWAH!! BWHAD IS DIS!? I CAN'D SDOP MY DEARS AND DRIPPING NOZE!!
WA-HER-GAH-HAH!

Poison Gas Pokémon
POISON
HT 2'00"
WT 2.2 lbs.
Its thin, filmy body is filled with gases that cause constant sniffles, coughs and teary eyes
This is...

Yep!!
Is the same enemy!?
Koffing again!

if you look down on them because they're the same...
Now, I'm right beside them
because I wasn't there with them
They couldn't use this tactic back then!
So, how do you feel?
you won't win~

I'm Petrel!!
I'm one of the Rocket Admins, the four top commanders of Team Rocket
That mark on your chest!!
Who are you ...!?
One of the top commanders...!!
...I see. So you're
Weavile!!

"Icy Wind"!!
Damn !!
You froze their "holes" to stop the gas!!
But

won't be able to hold back your tears and snot, like that that guy in the mantle!
In time, you and your Weavile
now you've noticed
that the gas has already surrounded you!
this isn't the only use for the gas!!
And..
Wea-vile!!

!!
Raticate's "Hyper Fang"!?
This bite mark...!
Tch!!
Then, let's end this
Good!
SFX: bite bite bite bite bite bite bite
What's this sound!?
!?
It's hiding itself in the gas!!

Uwah
!!

W-Well done!
You just barely saved your own skin and your friend while having no vision at all with your fast reactions!!
But
now you're in no position to strike back

It's red, so is it the "Draco Plate"!?
Now, give me your plate
One step closer to completion!!
I'll have 3!
After your plate joins my "Toxic Plate" and "Earth Plate"...
Well, whatever
The "Fist Plate"?
Or the "Flame Plate"?
!?
Oh?
You didn't know? I guess I let my big mouth slip
more than one plate!?
Are you saying that there's
Wait a minute!!

Is to get all of them!!
Team Rocket's goal
That's right! There's more than one!!
Well, whatever. I'll have to dispose of you once I get your plate anyways...
I see
...Then,
once I take the two plates you have,
I'll have three
Huh!?

Woah, what's with this big splash!?

No... way
Now hand them over!
The two plates you have...!!
Tell me!!
How many plates are there!?

●ゴールデンボール

ランダムで出現するゴールデンボール。ゴールしたときの得点が高い。

●ボール出現数

ボールは、時間が経つごとに増えていく。ボールが増えすぎると、ゴールが決まりにくくなるなど、難しくなる。
